

Ukisoft, Corp Launches Free Classified Ad Website www.adsduniya.com

Ukisoft, corp spokesperson Vinod Devasia, announced in a small press conference in Houston, TX the launching of their new free classified website www.adsduniya.com

Pearland, TX, September 22, 2007 --(PR.com)-- www.adsduniya.com will list ads from all over the world, and contains various categories that interest a wide variety of web users. At present, the website is already getting about 200-300 ads per day, Vinod disclosed.

www.adsduniya.com utilizes some of the cutting edge technology, and is in beta 2.0. The website will be fully functional by Oct 2007. Its already has partnered with ukisoft sister sites www.propertyduniya.com and www.dazzlingindia.com for contents to be displayed as Ads.

adsduniya.com promises to be a leader in Advertising, and is well placed to be in the top 100's advertising website in the coming year.

For more information on how businesses can partner with us and get more exposure to their products, visit www.adsduniya.com or email the company at ukisoft@gmail.com
